

# CHAS COLLINS

**C**has Collins is quickly making a name for himself as one of the hottest rising country/rock stars in the music industry! Hailing from New Orleans, LA, Chas was born with music in his soul as he started performing in plays and singing at the tender age of 9. Over the years he noticed that he was gaining fans by just traveling around and entering karaoke contests. In 2004 he decided to go to Nashville and record his first single "They Wanna Hang a Bad Boy" which was released in 2005. He then went back home to Louisiana, put a band together and started booking local shows. Then Hurricane Katrina hit. He lost everything he owned but remained determined to follow his dream so the next day with a couple changes of clothes and the money in his pocket, he headed to Nashville.

Chas has captivated audiences nationwide with his powerhouse vocals and unforgettable performances. His talents have earned him a reputation as one of the most exciting live performers in the country music scene. A recent entertainment coordinator even raved, saying, "I've seen shows from Garth Brooks to Kiss and Chas is one of the best performers I've ever seen!"

Since relocating to Clearwater, Florida in 2020, Chas has only ramped up his energy and charisma, bringing a fresh wave of excitement to his shows. Fans can look forward to 2025, when he's set to release 6 brand new singles recorded in Nashville, along with 3 dynamic music videos. The upcoming music will be a game-changer for his growing fan base. With such an unstoppable momentum don't miss the chance to book Chas Collins for your next event—he's a rising star you won't want to overlook!
